DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: there are no prior arts teaching or suggesting of an information providing apparatus and method for a vehicle, comprising:

an operation part configured to provide a contact possibility of the vehicle contacting with an object that is present in front of the vehicle according to relative motion between the vehicle and the object;

an information providing unit configured to provide contact possibility information by applying a negative acceleration or deceleration to the vehicle, the negative acceleration or deceleration being produced according to a correction value that is set by the information providing unit according to the contact possibility and is applied to at least one of the driving force and the braking force of the vehicle; and

a controller configured **to change the correction value according to a speed of the vehicle**.

The prior arts teaching of the correction value is changed/adjusted according to either or both of the relative distance and/or relative speed between the vehicles or objects.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
